Re: United States v. Daniel B. Karron,  
S1 07 Cr. 541 (RPP)

Dear Judge Patterson:

I am in receipt of the letter endorsed by the Court today adjourning the status conference from December 10, 2007, to December 14, 2007, at 9:30 a.m. At the last status conference, the Court excluded time under the Speedy Trial Act until December 10, 2007. The Government respectfully submits this letter to request that the Court exclude time under the Speedy Trial Act until the new scheduled conference date, December 14, 2007. The ends of justice served by the continuance outweigh the interest of the public and the defendant in a speedy trial because the continuance will allow the defendant additional time to review the discovery the Government has already produced and to review any materials that he may have retrieved and duplicated with the help of the computer forensic expert in the past two weeks.

Opposition granted  
So ordered

I was unable to reach defense counsel Mr. Rubinstein, but have left a voice mail at his office number seeking his consent and informing him of my submission of this letter to the Court.

Respectfully submitted,

MICHAEL J. GARCIA  
United States Attorney
